Important Notice - READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy - what's next? We want you to understand (and it is in your best interest to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. medical conditions that are not stable, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions, whether disclosed or not at time of policy purchase.
- Contact our Assistance Centre before seeking treatment or your benefits may be limited.
- In the event of a claim your prior medical history may be reviewed. If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

**IT IS YOUR RESPONSIBILITY TO UNDERSTAND YOUR COVERAGE.
IF YOU HAVE QUESTIONS, CALL 1-866-707-4922.**

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

10-Day Free Look

If you notify us within 10 days of your purchase date, as indicated on your confirmation, that you are not completely satisfied with your policy, we will provide a full refund if you have not already departed on your trip and there is no claim in progress. General Information

Insurance Coverage Amounts Offered

This policy provides *emergency* medical coverage up to a maximum of \$5 million CAD per insured person for the plan you purchased:

- a *Single-Trip* plan for travel outside *your* province or territory of residence or Canada, or
- a *Multi-Trip* plan for an unlimited number of *trips* taken within one (1) year of the *effective date* for the *trip* length as shown on *your confirmation*.

When *your* coverage starts

Travel Insurance must be purchased prior to departure from *your* province or territory of residence in Canada and for the entire duration of *your trip*.

For a *Single-Trip* plan, coverage starts on the later of:

- the date *you* leave *home*; or
- the *effective date* as stated on *your confirmation*.

For a *Multi-Trip* plan, *emergency* medical coverage starts each date *you* leave *home* and/or each date *you* leave Canada on or after the *effective date* as stated on *your confirmation*.

When *your* coverage ends

For *Single-Trip Emergency Medical* plans, *your* coverage ends on the earlier of:

- the date *you* return *home*; or
- the *expiry date*, as stated on *your confirmation*.

For *Multi-Trip* plans, *emergency* medical coverage ends on the earliest of:

- the date *you* return *home*;
- the *expiry date*, as stated on *your confirmation*;
- when travelling outside Canada, the date *you* reach the maximum number of days permitted for each *trip*, as stated on *your confirmation*.

For *Single-Trip Travel Canada Emergency Medical* plans, coverage ends on the earliest of:

- the date *you* return *home*;
- the *expiry date*, as stated on *your confirmation*;
- the day *you* leave Canada.

Automatic extension of *emergency* medical coverage is provided beyond *your expiry date* per *your confirmation* if:

- *your common carrier* or *vehicle* is delayed. In this case, we will extend *your* coverage for up to seventy-two (72) hours;
- *you* or *your travel companion* are hospitalized on the *expiry date*. In this case, we will extend *your* coverage during the hospitalization up to a maximum of 365 days or until, in *our* opinion, *you* are stable for discharge from the *hospital* or for evacuation *home*, whichever is earlier, and for up to five (5) days after discharge from the *hospital*; or
- *you* or *your travel companion* have a medical *emergency* that does not require hospitalization but prevents travel on *your expiry date*, and as confirmed by a *physician*. In this case, we will extend *your* coverage for up to five (5) days.

In any case, we will not extend any coverage beyond twelve (12) months after the date *you* first leave *home*.

To stay longer than planned

If *you* are already on *your trip* and need to apply for an extension of *your* coverage, before the *expiry date* of *your* existing coverage, simply call Customer Service at 1-866-707-4922. *You* may be able to extend *your* coverage, as long as:

- the total length of *your trip* outside of Canada, including the extension, does not exceed the maximum allowed by *your government health insurance plan*;
- *you* pay the additional premium; and
- there has been no event that has resulted or may result in a claim against the policy and there has been no change in *your* health status.

Any extension is subject to approval.

- Provide coverage for an unlimited number of *trips* taken within one (1) year, commencing with the *effective date* as shown on *your confirmation*.
- Provide *you* with *emergency* medical coverage for unlimited travel within Canada but outside *your* province or territory of residence.
- Each *trip* taken outside of Canada can be up to the maximum days *you* selected when *you* purchased *your* *Multi-Trip* plan.
- For a *trip* to be covered under this plan, it must start on or after the *effective date* and end prior to or on the *expiry date* shown on *your confirmation* of coverage.
- Top-Up coverage can be purchased for *trips* that are longer than the maximum *trip* length selected or if *your trip* extends beyond the *expiry date* of *your* *Multi-Trip* plan as shown on *your confirmation*.

In the event of a claim, *you* will be required to provide proof of *your departure date* and *your* return date. Proof can include *your plane* ticket, train ticket, a stamped passport, and/or credit card or bank statement showing purchases in Canada just prior to *your departure date*.

If *your trip*:

- a. is longer than the maximum number of coverage days *you* have under *your* current plan; or
- b. will extend beyond the *expiry date* shown on *your confirmation*, *you* can either:
 - purchase Top-up coverage before the *expiry date* of *your* *Multi-Trip* plan for any additional travel days; or
 - purchase a new *Multi-Trip Emergency Medical* plan, with no lapse in coverage, providing the total duration of the *trip* does not exceed the maximum *trip* length *you* choose.

If *your* multi-trip plan is not underwritten by Manulife, it is *your* responsibility to confirm that a Top-Up is permitted on *your* existing plan with no loss of coverage. If *you* are already on *your* trip, a Top-Up to another provider's plan is not permitted.

When *you* apply for Top-Up coverage, *you* may be required to answer questions about *your* health.

- *You* may cancel *your* policy prior to *your departure date (your effective date)* if *you* have purchased a Multi-Trip *Emergency Medical plan*.
- If *you* return *home* early, *you* may request a refund of premium for the unused coverage days of *your trip* providing there has been or will be no claim reported or initiated, that *you* have not been provided with any assistance services and that *you* have mailed *us your* written request with proof of the date *you* actually returned *home*.

What are the other conditions that apply to **Emergency Medical Insurance**?

If *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less, *we* will not co-ordinate payment with that coverage. If *your* lifetime maximum is more than \$50,000, *we* will co-ordinate payment.

We will pay **Emergency Medical** covered expenses in excess of the deductible amount that *you* have selected for this policy.

What else do *you* need to know?

This policy is issued on the basis of information in *your* application or provided in connection with *your* application (including the *medical questionnaire* if required). *Your* entire contract with *us* consists of: this policy, *your* application for this policy (including the completed *medical questionnaire* if required), the *confirmation* issued in respect of that application, and any other amendments or endorsements resulting from extensions or Top-Ups of coverage. Claims will be processed according to the policy in force at the time of claim.

When completing the application and answering the medical questions, *your* answers must be complete and accurate. In the event of a claim, *we* will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:

- *your* coverage will be void
- which means *your* claim will not be paid.

You must be accurate and complete in *your* dealings with *us* at all times.

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this policy, extension or Top-Up of coverage for benefits under this policy.

We will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive *us* or makes a fraudulent, false or exaggerated statement or claim.

No agent or broker has the authority to change the contract or waive any of its provisions.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the Insurance Act as applicable in *your* province or territory of residence respecting contracts of sickness and accident insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

When *you* have paid the appropriate premium and met the eligibility requirements, this policy along with *your* application forms part of *your* insurance contract and becomes a binding contract providing that *you* are issued a *confirmation* upon which a contract policy number appears.

If *you* are ineligible for coverage, *our* only liability will be to refund any premium paid. *You* will be responsible for any expenses that are not payable by *us*.

If the premium is insufficient for the period of coverage selected, *we* will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

How does this insurance work with other coverages that *you* may have?

The plans outlined in this policy are second payor coverages. If there are other third-party liability, group or individual, basic or extended health insurance plans or contracts, including any private, provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third-party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will co-ordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and co-operate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance *you* have under policies issued by *us* is more than \$100,000, *our* aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

For all other insurance coverage, *you* must call *our* Assistance Centre within forty-eight (48) hours of the cause of *your* claim. **Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.**

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, eligible expenses will be reimbursed to *you* on the basis of the *reasonable and customary* charges that *we* would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount. Therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

Notice and Proof of Claim. Claims must be reported within thirty (30) days of occurrence of a claim arising under this contract. *Your* proof of claim must be sent or submitted to *us* within ninety (90) days of the date a claim has occurred or the service was provided.

Failure to Give Notice or Proof of Claim. Failure to give notice or proof of claim within the prescribed period does not invalidate the claim if the notice or proof is given or provided as soon as reasonably possible and in no event later than one year from the date of the occurrence arising under this contract, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

Proof of Claim. The Assistance Centre will furnish forms for proof of claim within fifteen (15) days after receiving notice of claim. If *you* have not received the forms within that time, *you* may submit *your* proof of claim in the form of a written statement of the cause or nature of the accident, *sickness* or *injury* or insured risk giving rise to the claim and the extent of the loss or *you* can submit *your* claim online.

To whom will we pay your benefits, if you have a claim?

Except in the case of *your* death, we will pay the covered expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars.

If currency conversion is necessary, we will use *our* exchange rate on the date *you* received the service outlined in *your* claim. We will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act, or other applicable legislation, or in the Limitations Act, 2002 in Ontario.

Rights of Examination. For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at home. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
