SECTION 1 – IMPORTANT NOTICE

READ YOUR CERTIFICATE CAREFULLY BEFORE YOU TRAVEL

- Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that you read and understand your certificate before you travel, as your coverage may be subject to certain limitations or exclusions.
- Your certificate may not provide coverage for a medical condition and/or symptoms that existed prior to your trip. Check to see how this applies in your certificate and how it relates to your departure date, date of purchase or effective date.
- In the event of an accident, injury or sickness, your prior medical history may be reviewed when a claim is made.
- If your certificate provides travel assistance, you may be required to notify the designated assistance company prior to treatment. Your certificate may limit benefits should you not contact the assistance company within a specified period of time.

This certificate contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

ITALICIZED WORDS have a specific meaning. Please refer to the “Definitions” section of this certificate, to find the meaning of each italicized word.

3. If you have more than one accidental bodily *injury* during your *trip*, we will pay the applicable insured sum only for the one accident that entitles you to the largest benefit amount.

Any loss or any medical condition *you* suffer or contract in a specific country, region or city for which the Government of Canada issued a Travel Advisory, before *your effective date*, advising Canadians to avoid all or non-essential travel to that specific country, region or city. In this exclusion, "loss" and "medical condition" is limited to the reason for which the Travel Advisory was issued and includes complications arising from such medical condition.

SECTION 12 – TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this certificate, coverage will be provided as follows:

- For all **Emergency Medical** and **Trip Cancellation/Interruption Insurance**, we will provide benefits to *you* for *your* covered expenses subject to the maximums shown in the benefits section and this provision;
- The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance policies and certificates (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to our **Emergency Medical Insurance** and **Trip Cancellation/Interruption Insurance** shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies and certificates issued by *us*, including this certificate. If total claims otherwise payable for a type of coverage under all travel policies and certificates issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a prorated basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

Coverage is only available for up to two (2) *acts of terrorism* within a calendar year and the maximum aggregate payable limit for each *act of terrorism* is:

Type of Coverage	Maximum Aggregate for Each Act of Terrorism (CDN\$)
Emergency Medical	\$35,000,000
Trip Cancellation/Interruption	\$2,500,000

If, in *our* judgment, the total of all payable claims under one or more *acts of terrorism* may exceed the applicable limits, *your* prorated claim may be paid after the end of the calendar year in which *you* qualify for benefits.

Exclusion to this Terrorism Coverage

Notwithstanding any provision to the contrary within this certificate or any endorsement thereto, this certificate does not cover any liability, loss, cost or expense of whatsoever nature which is directly or indirectly caused by, results from, arises out of or is in connection with any *acts of terrorism* perpetrated by or is involving the utilization of biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

SECTION 13 – WHAT ELSE DO YOU NEED TO KNOW?

This certificate is issued based on information provided in *your* application (including the *medical questionnaire* if required). Claims will be processed according to the certificate in force at the time of claim. No agent or broker has the authority to change the contract or waive any of its provisions. This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this certificate, extension or Top-Up of coverage for benefits under this certificate. This certificate is non-participating. *You* are not entitled to share in *our* divisible surplus.

Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the Insurance Act as applicable in *your* province or territory of residence respecting contracts of sickness and accident insurance.

Limitation of Liability

Our liability under this certificate is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this certificate, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this certificate. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and certificate terms and conditions are subject to change without prior notice. When *you* have paid the appropriate premium and met the eligibility requirements, this certificate along with *your* application forms part of *your* insurance contract and becomes a binding contract, providing that *you* are issued a *confirmation* upon which a contract certificate number appears.

If *you* are ineligible for coverage, *our* only liability will be to refund any premium paid. *You* will be responsible for any expenses that are not payable by *us*. If the premium is insufficient for the period of coverage selected, *we* will charge and collect any underpayment or shorten the certificate period by written endorsement if an underpayment in premium cannot be collected. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

How does this insurance work with other coverages that you may have?

The plans outlined in this certificate are second payor coverages. If there are other third party liability, group or individual, basic or extended health insurance plans or contracts, including any private, provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will co-ordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this certificate, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this certificate. *You* will execute and deliver such documents as are necessary and co-operate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy or certificate underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy or certificate.

If the total amount of all accident insurance *you* have under policies and certificates issued by *us* is more than \$100,000, *our* aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

3. *We* cover the current actual cash value of *your* property when it is lost or damaged. *We* also reserve the option to repair or replace *your* property with other of similar kind, quality and value. *We* may also ask *you* to submit damaged items for an appraisal of the damage. If a lost or damaged article is part of a set, *we* will cover a reasonable and fair proportion of the total value of the set, but not the total value of the set.

Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* certificate.

All amounts shown throughout this contract are in Canadian dollars.

If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

Is there anything else *you* should know if *you* have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this certificate.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), or in other applicable legislation.
