## SECTION 1 – Important Notice

### READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy - what's next? We want you to understand (and it is in your best interest to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. medical conditions that are not stable, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions, whether disclosed or not at time of policy purchase.
- Contact our Assistance Centre before seeking treatment or your benefits may be limited.
- In the event of a claim your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

**IT IS YOUR RESPONSIBILITY TO UNDERSTAND YOUR COVERAGE. IF YOU HAVE QUESTIONS, PLEASE CALL THE CUSTOMER SERVICE CENTRE AT THE NUMBER PROVIDED IN YOUR CONFIRMATION.**

### Notice Required by Provincial Legislation

**This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.**

## SECTION 2 – Identification of Insurer

This policy is underwritten by The Manufacturers Life Insurance Company (Manulife). Manulife has appointed Active Claims Management Inc. (operating as Active Care Management) as the provider of all assistance and claims services under this policy.

+1 519-251-7840, collect to Canada

If it is medically impossible for you to call prior to obtaining *emergency treatment*, we ask that someone call on your behalf as soon as possible. Otherwise, if you do not call the Assistance Centre before you obtain *emergency treatment* you will have to pay 20% of the eligible medical expenses we would normally pay under this insurance.

## SECTION 4 – Eligibility

Some benefits are subject to advance approval by our Assistance Centre. Unless otherwise stated, all amounts referred to in this policy are in Canadian dollars. You will be responsible for any expenses that are not payable by us.

### COVERAGE

**Up to a total combined maximum of \$5 Million** per insured person for *reasonable and customary* charges when you incur expenses:

- as a result of an *emergency* when travelling outside of your province or territory of residence that is unrelated to Coronavirus (COVID-19)
- for *treatment* you require when travelling outside of your province or territory of residence when the medical *emergency* is related to Coronavirus (COVID-19) and related complications provided that you have received the vaccine.

- **up to a maximum of \$1 Million** per insured person for *reasonable and customary charges* incurred by you as a result of an *emergency* related to Coronavirus (COVID-19) and related complications when you have not received the *vaccine*.

**Exception: Important information about cruise travel-** If you have not received the *vaccine*, this policy does not provide any coverage for Coronavirus (COVID-19) and related complications on a cruise or at any destination included in your cruise itinerary.

This exception for cruise travel does not apply to children 11 years old or younger who are not eligible to receive the *vaccine*, when travelling with at least one parent or guardian on the same cruise booking who has received the *vaccine*.

**Reasonable and customary charges incurred by you for a Trip Interruption** claim in the event that you must self-isolate or quarantine during your trip as a result of Coronavirus (COVID-19) (see benefit details in Section 9).

Coverage under this policy is issued on the basis of information provided in your application. Your entire contract with us consists of: this policy, your application for this coverage, the *confirmation* issued in respect of that application and any other amendments or endorsements resulting from extensions of coverage.

This policy provides *emergency* medical coverage for travel outside your province or territory of residence or Canada.

#### WHEN YOUR COVERAGE STARTS

Travel Insurance must be purchased prior to departure from your province or territory of residence in Canada and for the entire duration of your trip.

All coverage starts on the later of:

- the *departure date*; or
- the *effective date* as stated on your *confirmation*.

#### WHEN YOUR COVERAGE ENDS

All coverage ends on the earlier of:

- the date you return home; or
- the *expiry date*, as stated on your *confirmation*.

**AUTOMATIC EXTENSION** of coverage is provided beyond your *expiry date*, as stated on your *confirmation*, if:

- your *common carrier* or *vehicle* is delayed and prevents you from travelling on your *expiry date*. In this case, we will extend your coverage for up to seventy-two (72) hours;
- you have been advised by a medical professional to self-isolate or quarantine as a result of Coronavirus (COVID-19), beyond your *expiry date*. In this case, we will extend your policy coverage for the duration of your quarantine and up to seventy-two (72) hours following the end date of your quarantine period.
- you or your travel companion are hospitalized on the *expiry date*. In this case, we will extend your coverage during the hospitalization up to a maximum of 365 days or until, in our opinion, you are *stable* for discharge from the *hospital* or for evacuation home, whichever is earlier, and for up to five (5) days after discharge from the *hospital*; or
- you or your travel companion have a medical *emergency* that does not require hospitalization but prevents travel on your *expiry date*, as confirmed by a *physician*. In this case, we will extend your coverage for up to five (5) days.

#### TO STAY LONGER THAN PLANNED

If you are already on your trip and need to apply for an extension of your coverage, before the *expiry date* of your existing

coverage, simply contact the representative where you purchased this insurance or Manulife Customer Service. You may be able to extend your coverage, as long as:

- the total length of your trip outside of Canada, including the extension, does not exceed the maximum allowed by your *government health insurance plan*;
- you pay the additional premium; and
- there has been no event that has resulted or may result in a claim against the policy and there has been no change in your health status.

Any extension is subject to approval by the Assistance Centre. In any case, we will not extend any coverage beyond twelve (12) months after the date you first leave home.

#### CANCELLATIONS & REFUNDS

- You may cancel your policy prior to your departure date.
- If you return home early, you may request a refund of premium (minimum \$25.00) for the unused coverage days of your plan, providing there has been or will be no claim reported or initiated, that you have not been provided with any assistance services and that you have mailed us your written request with proof of the date you returned home.
- All travellers insured under the same policy must return together for a refund to be possible.

## Section 9 - Trip Interruption Insurance

**We do not pay any benefits for a quarantine or self-isolation in Canada as mandated by any government.**

**This coverage does not include any benefits for Trip Cancellation.**

**Important information about cruise travel:** If you have not received the vaccine, this policy does not provide any coverage for Coronavirus (COVID-19) and related complications on a cruise or at any destination included in your cruise itinerary.

**Exception:** For children 11 years old or younger who are not eligible to receive the vaccine, Coronavirus (COVID-19) coverage will be provided when travelling with at least one parent or guardian on the same cruise booking who has received the vaccine.

### Benefits – What does Trip Interruption Insurance cover?

Trip Interruption coverage is only available after your departure to any destination included in your trip and only when you incur any expenses in relation to Coronavirus (COVID-19).

In the event you are unexpectedly required to self-isolate or quarantine as determined by a medical professional after your departure, we will pay:

- Up to \$500 for your one-way economy class airfare via the most cost-effective itinerary to return you home in the event you are delayed beyond the date you were originally scheduled to return home; and/or
- Up to \$200 per insured person per day for your additional and unplanned commercial hotel and meal expenses to a maximum of \$2,800. Family coverage maximum is \$400 per insured family per day to a maximum of \$5,600.  
This benefit is only payable to a maximum of fourteen (14) days, if you are delayed beyond your original return date, and/or you must pay for the unexpected costs of your new accommodation and/or meals where you are required to be quarantined.  
It is your responsibility to find accommodation during your quarantine. If you must be quarantined at a medical facility and medical treatment is not required, we will only pay up to the maximums as noted above.

These benefits are payable if either of the following covered events happen to you:

1. You or your travel companion are denied entry into any destination included in your trip and you are quarantined as requested by a medical professional;
2. Due to a positive Coronavirus (COVID-19) test result or contact tracing in any destination included in your trip, you or your travel companion are required to self-isolate or quarantine as requested by a medical professional, in your destination beyond your original return date.

## Section 10 – Trip Interruption Exclusions & Limitations

### What does Trip Interruption Insurance not cover?

For Trip Interruption Insurance, we will not cover expenses or benefits relating to:

1. Any Trip Interruption benefits because of a quarantine or self-isolation in Canada as mandated by any government.
2. Any expenses due to an official travel advisory issued by the Government of Canada stating "Avoid all travel" regarding the country, region or city of your destination, before your departure date.

To view the travel advisories, visit the Government of Canada Travel site.

3. Any expenses you incur when you or your travel companion are denied entry into a country or a region included in your trip when prior to your departure date there were foreign government and/or regional travel guidelines or restrictions in place prohibiting Canadian residents' entrance due to Coronavirus (COVID-19).
4. Any expenses you incur at any destination included in your trip, when before your departure date there were foreign government and/or regional travel guidelines or restrictions in place requiring you or your travel companion to self-isolate or quarantine for a specific period of time during your trip.
5. Any pre-paid portion of your travel arrangements that are unused.
6. Any expenses you incur if you have not received the vaccine:
  - while you are on your cruise; and/or
  - beyond your original cruise end date due to a positive Coronavirus (COVID-19) test result or contact tracing during your cruise or in any destination included in your cruise itinerary and you or your travel companion are required to self-isolate or quarantine.  
This exclusion does not apply to children 11 years old or younger who are not eligible to receive the vaccine, when travelling with at least one parent or guardian on the same cruise booking who has received the vaccine.

## SECTION 11 – What Else Do You Need to Know?

This policy is issued based on information provided in your application (including the medical questionnaire, if required). Claims will be processed according to the policy in force at the time of claim. When completing the application and answering the medical questions, your answers must be complete and accurate. In the event of a claim, we will review your medical history. If any of your answers are found to be incomplete or inaccurate:

- your coverage will be void

- which means your claim will not be paid.

You must be accurate and complete in your dealings with us at all times. This insurance is void in the case of fraud or attempted fraud, or if you conceal or misrepresent any material fact in your application for this policy or extension of coverage for benefits under this policy.

We will not pay a claim if you, any person insured under this policy or anyone acting on your behalf attempt to deceive us or makes a fraudulent, false or exaggerated statement or claim.

No agent or broker has the authority to change the contract or waive any of its provisions.

This policy is non-participating. You are not entitled to share in our divisible surplus.

### Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither we, upon making payment under this policy, nor our agents or administrators assume any responsibility for the availability, quality, results or outcome of any treatment or service, or your failure to obtain any treatment or service covered under the terms of this policy.

### Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice. When you have paid the appropriate premium and met the eligibility requirements, this policy along with your application forms part of your insurance contract and becomes a binding contract, providing that you are issued a confirmation upon which a contract policy number appears.

If you are ineligible for coverage, our only liability will be to refund any premium paid. You will be responsible for any expenses that are not payable by us. If the premium is insufficient

for the period of coverage selected, we will charge and collect any underpayment; or shorten the policy period by written endorsement if an underpayment in premium cannot be collected. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

#### **How does this insurance work with other coverages that *you* may have?**

The plans outlined in this policy are second payor coverages. If there are other third party liability, group or individual, basic or extended health insurance plans or contracts, including any private, provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. We will co-ordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and co-operate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy/certificate underwritten by *us*, the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy/certificate. This condition does not apply to any claim related to Coronavirus (COVID-19) if *you* are also insured under a complimentary Manulife COVID-19 Emergency Medical Certificate of Insurance that was provided to *you* by the airline/tour operator. For greater clarity, if *you* are insured under one complimentary certificate and more than one policy/certificate underwritten by *us* that provides Coronavirus (COVID-19) coverage, the maximum amount payable for covered expenses incurred by *you* related to Coronavirus (COVID-19) cannot be more than the sum of the Coronavirus (COVID-19) coverage available under one policy/certificate and one complimentary certificate. The total amount we pay to *you* cannot exceed *your* actual expenses.

## **SECTION 12 – How to Submit a Claim**

**IN THE EVENT OF AN EMERGENCY

Please note that if *you* do not call the Assistance Centre in an emergency and prior to receiving *treatment*, *you* will have to pay **20% of the eligible medical expenses** we would normally pay under this policy (20% co-insurance). If it is medically impossible for *you* to call when the *emergency* happens, we ask that someone call on *your* behalf as soon as possible.

**Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.**

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, eligible expenses will be reimbursed to *you* based on the *reasonable and customary* charges that we would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount. Therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*.

**Notice and Proof of Claim.** Claims must be reported within thirty (30) days of occurrence of a claim arising under this contract. *Your* proof of claim must be sent to *us* within ninety (90) days of the date a claim has occurred or the service was provided.

**Failure to Give Notice or Proof of Claim.** Failure to give notice or proof of claim within the prescribed period does not invalidate the claim if the notice or proof is given or provided as soon as reasonably possible and in no event later than one (1) year from the date of the occurrence arising under this contract, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

**Proof of Claim.** The Assistance Centre will furnish forms for proof of claim within fifteen (15) days after receiving notice of claim. If *you* have not received the forms within that time, *you* may submit *your* proof of claim in the form of a written statement of the cause or nature of the accident, *sickness, injury* or insured risk giving rise to the claim and the extent of the loss or *you* can submit *your* claim online.

*You* may call the Assistance Centre directly for specific information on how to submit a claim or to enquire about *your* claim status at: **1-877-372-2989**.

All money payable under this contract shall be paid by *us* within sixty (60) days after proof of claim and all required documentation has been received.

If *you* are making an **Emergency Medical Insurance** claim, we will need:

- original itemized receipts for all bills and invoices;
- proof of payment by *you* and by any other benefit plan;
- medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was medically necessary;
- proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;
- proof of travel (including *departure date* and return date); and
- *your* historical medical records (if we determine applicable).

If *you* are making a **Trip Interruption** claim, we will need proof of the cause of the claim, including:

- a medical certificate completed by the attending *physician* and stating why travel was not possible as booked, if the claim is in relation to self-isolation or quarantine, or
- a report from an authority documenting the reason for the self-isolation or quarantine; and

We will also need, as applicable:

- original passenger receipts for the new tickets *you* had to purchase;
- original receipts for the travel arrangements *you* had paid in advance and for the extra hotel, and meals, expenses *you* may have had; and
- any other invoice or receipt supporting *your* claim.

**To whom will we pay *your* benefits, if *you* have a claim?**

Except in the case of *your* death, we will pay the covered expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if we determine that the amount is not payable under *your* policy.

If currency conversion is necessary, we will use *our* exchange rate on the date *you* received the service outlined in *your* claim. We will not pay for any interest under this insurance.

**Is there anything else *you* should know if *you* have a claim?**

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* or in the *Limitations Act, 2002* in Ontario or other applicable legislation.

## SECTION 13 – Statutory Conditions

**Copy of Application.** Upon request, a copy of the application shall be given to *you* or to a claimant under the contract.

**Waiver.** We reserve the right to decline any application or any request for extensions of coverage. No condition of this policy shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly expressed in writing and signed by Manulife.

**Material Facts.** No statement made by *you* at the time of application for this contract shall be used in defence of a claim under or to avoid this contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

**Termination by Insurer.** We may terminate this contract in whole or in part at any time by giving written notice of termination to *you* and by refunding, concurrently with the giving of notice, the amount of premium paid in excess of the proportional premium for the expired time. The notice of termination may be delivered to *you*, or it may be sent by registered mail to *your* latest address on record. Where notice of termination is delivered to *you*, five (5) days notice of termination will be given; where it is mailed to *you*, ten (10) days notice will be given and the ten (10) days will begin on the day following the date of mailing of the notice.

**Rights of Examination.** For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at *home*. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
